### **Message of Hon'ble Vice Chancellor**

I gives me immense pride to announce that Indira Gandhi Delhi Technical University for Women [IGDTUW] is holding its 6<sup>th</sup> Convocation Ceremony on 7<sup>th</sup> November, 2023. This is an occasion to celebrate dreams, achievements and aspirations. I extend my heartfelt congratulations to the graduating students, their parents and the faculty members for the achievement of milestone in their lives. My congratulations to the students who shall earn awards and medals as evidence of their dedication, hard-work and commitment.

IGDTUW has evolved to become a National flagship, Research led University with the mission to foster an environment for excellence in professional Education by ensuring active participation of women in the field of Engineering, Science and Technology thereby attempting to strike out a perfect balance between world of work and life.

I would also like to remind graduates that "Education is not only for gathering degrees and getting a job but also to make a complete human being in all mannerisms." It is a societal requisite to demonstrate honesty and integrity along with professional skills. The professional life will be complete success if it perfectly amalgamates with humanism. I believe that women graduates of this university are well versed in required technical skills and exhibit honesty integrity and responsibility in professional tasks.

Once again, I confer my blessings and wish a successful bright future to all. I congratulate the entire team of the University for imparting their dedicated endeavours to generate skilled professionals.

**Dr. (Mrs.) Amita Dev**  
Vice Chancellor, IGDTUW
