**MESSAGE**

Established in the year 2013, Indira Gandhi Delhi Technical University for Women, Delhi is organizing its 5<sup>th</sup> Convocation on 03<sup>rd</sup> November, 2022. On this auspicious occasion, I extend my warm wishes and felicitations to the teaching fraternity, staff members, the graduating students and their proud parents.

It gives me immense pleasure to note that IGDTUW is contributing significantly in the field of Humanities, Science, Engineering, Management, Applied Sciences, Technology and Architecture by providing such an environment which is conducive for comprehensive development. We feel proud that in a short span, the University has progressed gloriously ahead by achieving excellence in academics to produce skilled women technocrats.

It is heartening to know that the dedicated faculty and staff have trained, nurtured and transformed young women candidates into versatile talented professionals. I expect technically proficient graduates of IGDTUW will contribute wholeheartedly in development and growth of our aspiring nation in the current scenario. I also believe today's graduate women will remain steadfast and ethical in their conduct and mark their graceful presence in society and nation.

I confer my heartfelt wishes and blessings to all graduates and future creators of this Nation. I hope for an immensely successful future of all the faculty members, staff and students of the University.
