

MESSAGE

I am pleased to learn that the Indira Gandhi Delhi Technical University (IGDTUW) is organizing its 04th convocation on 23rd December, 2021. I extend my heartiest congratulations to the young graduates on the successful completion of their respective programs.

IGDTUW is a leading university for women in our country. Committed to the goal of promoting excellence in teaching and learning, the University is successfully delivering quality education across disciplines while inculcating necessary professional and life skills amongst its students.

The efforts made by the entire team of the university towards achieving this significant milestone is praise worthy. I extend my good wishes and blessings to all the graduates in their future endeavours. I am sure that in the days to come the bright young students graduating today will contribute significantly to the society and economy as valuable agents of change.
